*The golden gates are open wide*
*His days on earth are o'er.*
*We know he rests in sweetest peace*
*In heaven forever more.*

*We know how folks all miss him now,*
*And will for many a year.*
*You won't find many like him,*
*A boy so sweet and dear.*

*His classmates all miss him, too,*
*He left an empty chair.*
*Though others come and others go*
*The vacancy's still there.*

*John Richard Boggan, Ricky, was killed February 19, 1971 in a car accident one afternoon going home from school. He was a young man whom we all knew for his ability on the football field and for his love of the Lord Jesus Christ. Being a promising athlete, he was voted as co-captain and most valuable player for the Jr. High Football Squad. He was a leader to his fellow classmates and devoted to all he undertook.*

*"Unto thee O Lord, do I lift up my soul." Psalm 25:1*

# Eagles spark successful season

The Council McCluer Golden Eagles came from a fifth rate group of football players to become a team of champions. Behind the leadership of Head Coach Daniels and Assistant Coaches Autrey and Garner, the Eagles operated like a well-oiled machine. Football is not just a game but a way of life. Long hours of practice paid off and to the Eagles football became a test of endurance and skill. The Eagles were taught to give 100% and be willing to die for their cause if need be. Working as a team of 29 players, pulling as one, the Golden Eagles were willing to pay the price for victory and in the end emerged as champions, bringing honor and prestige to Council McClure.

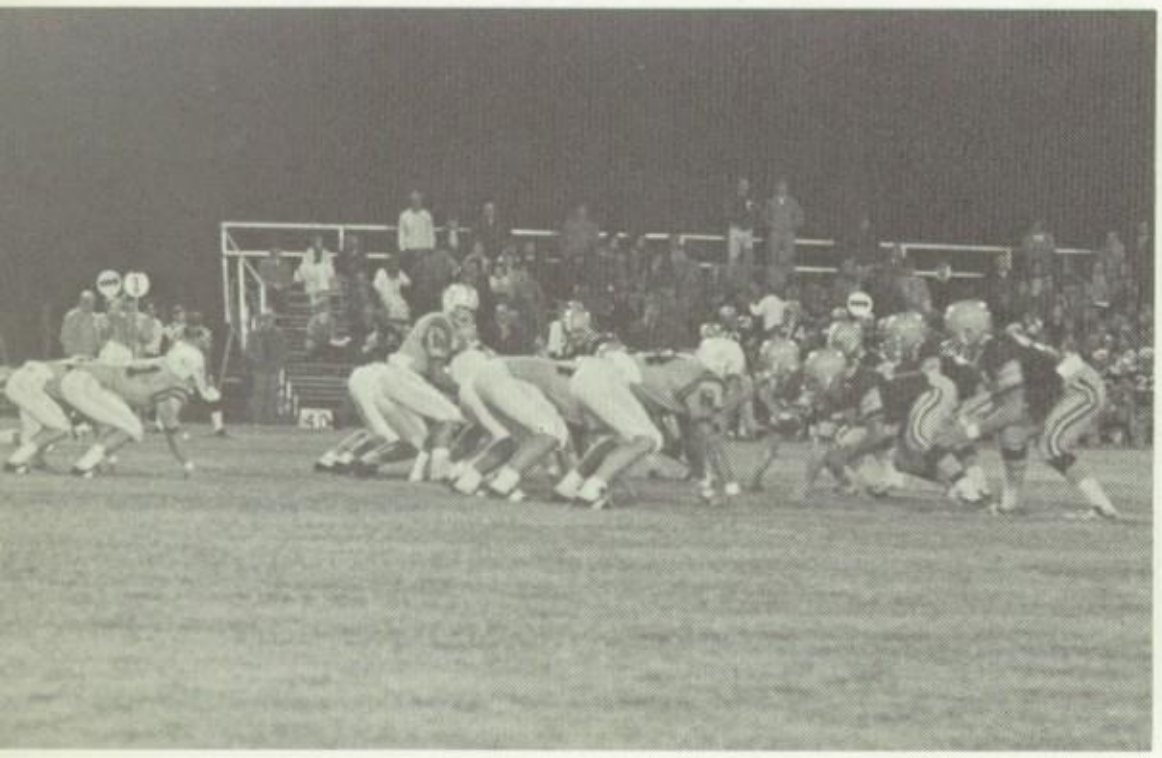
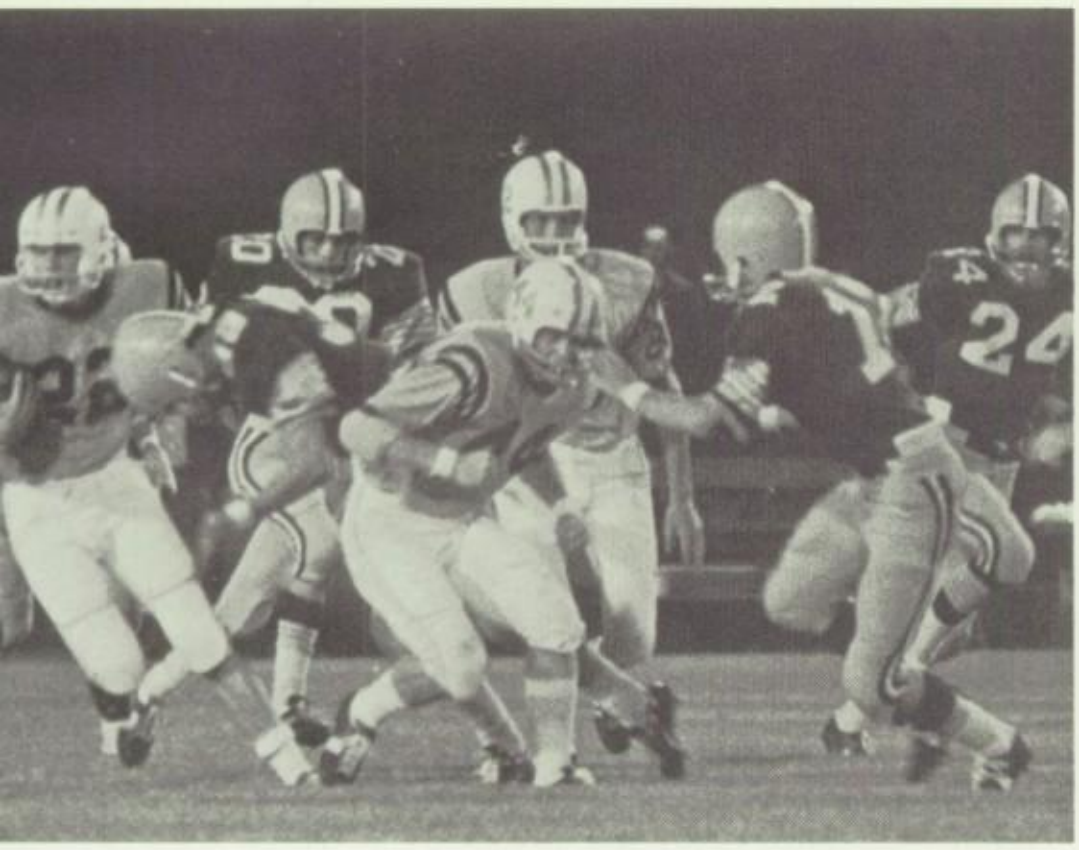
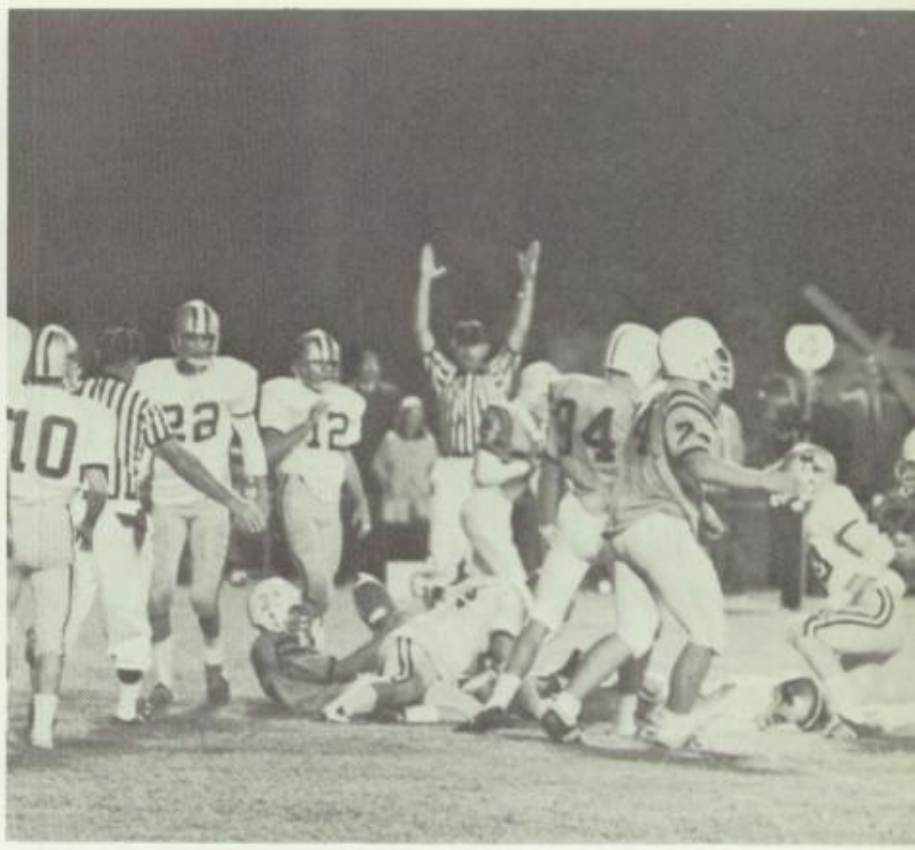
# The Eagles put it all together



*The Golden Eagles, lead by quarterbacks Boyd White and Truett Hawkins, gained 1739 yds. rushing and 1527 in the air for a respectable 3066 yds. on total offense. This was made possible by the hard running backs Kurtz, Knowles, Flowers, Duckworth, and Pickens. All this would not have been possible if not for the rock-nosed, hard-blocking line. The linemen were Walker, Sanders, Keys, Wilson, McLendon, Brister, Tillman, Lilley, and Saul. The Eagles also combined a rock-solid defense with their scoring offense. Opposing teams were allowed to score only 156 points.*

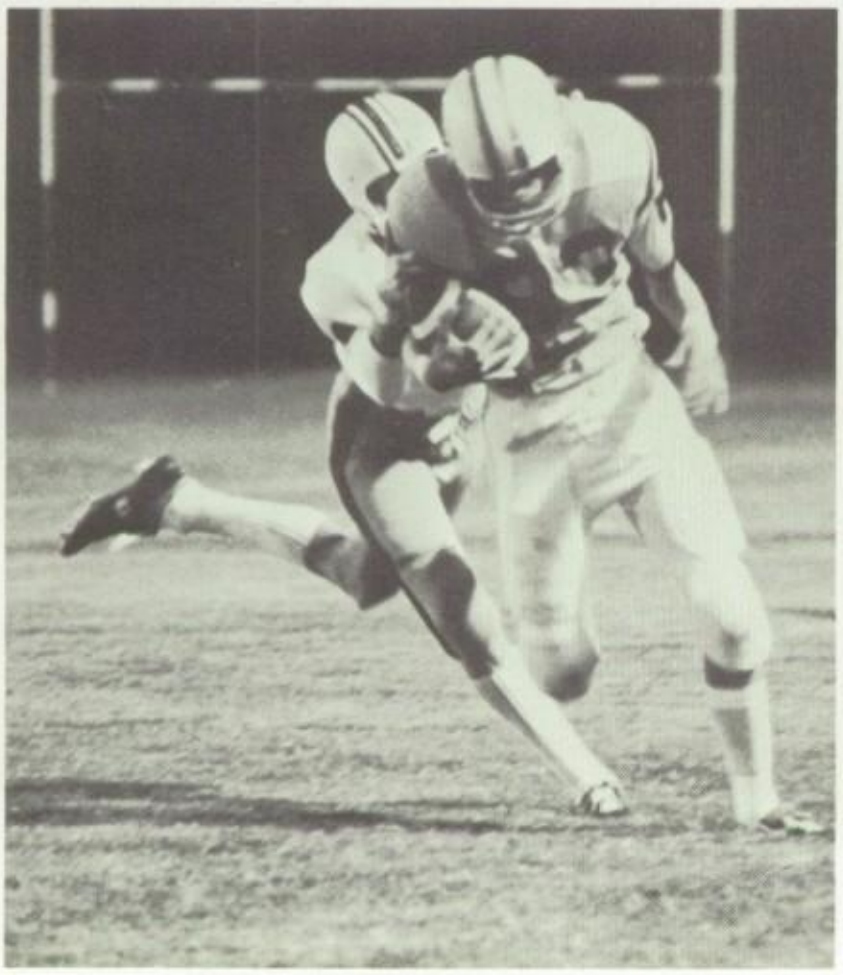
*All of this combined, plus a lot of long hours and dedication, led the Eagles to an honorable 7-2-1 season and 2nd place in the South AA Conference. This is what made the 1970-71 Eagles truly a team of champions.*

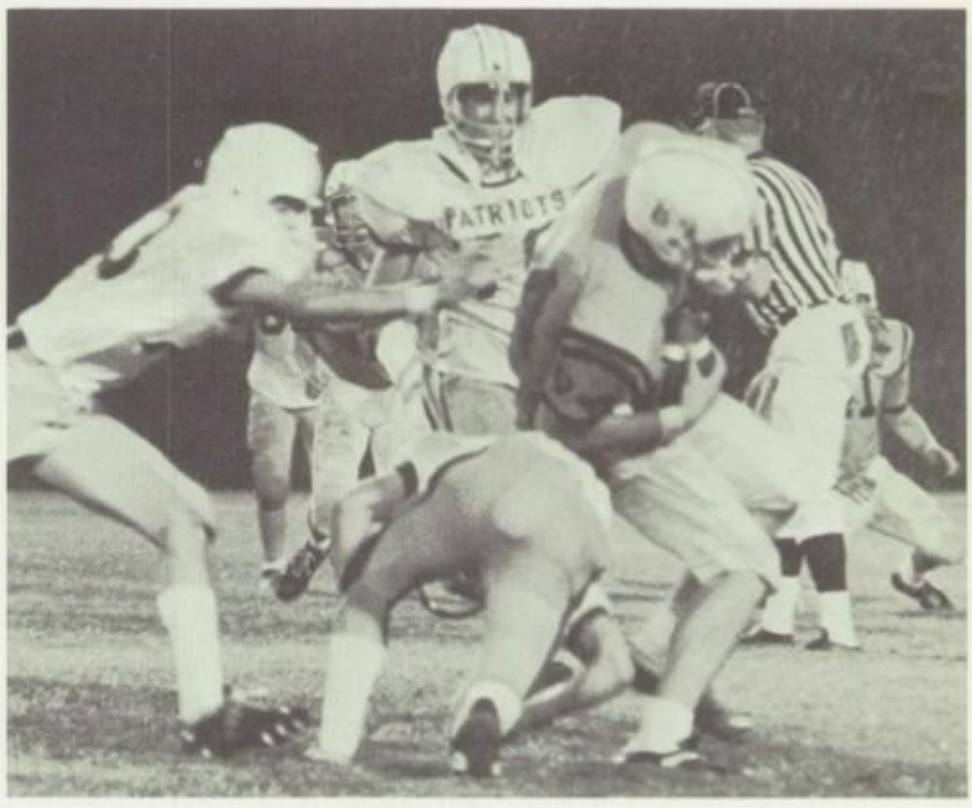




# For triumphant '70-71 season

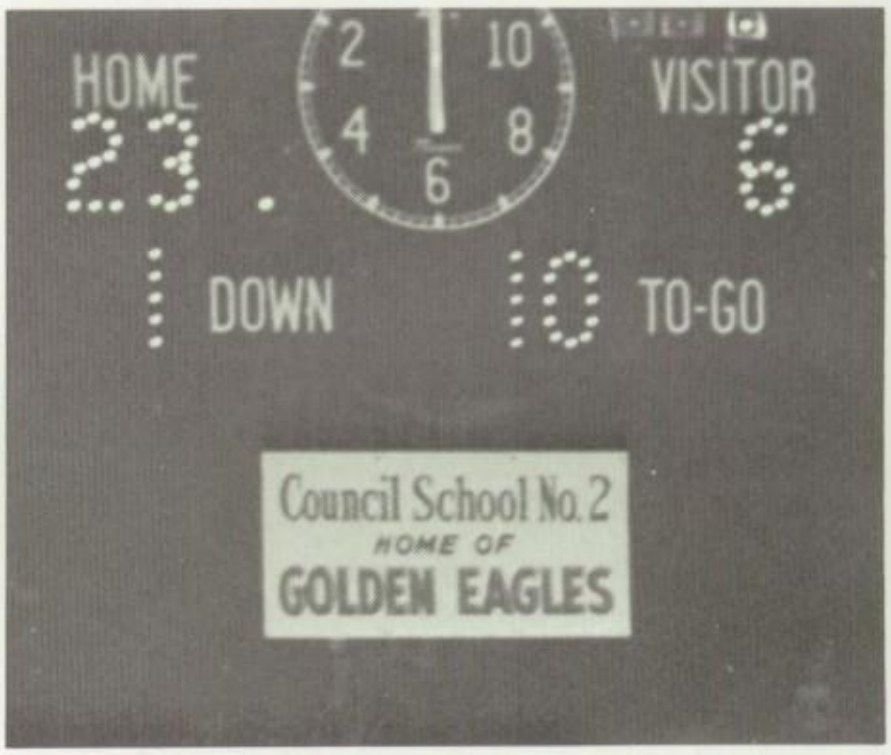
*The men of the backfield were the main spark of the explosive offense that lead the Eagles to seven victories.*



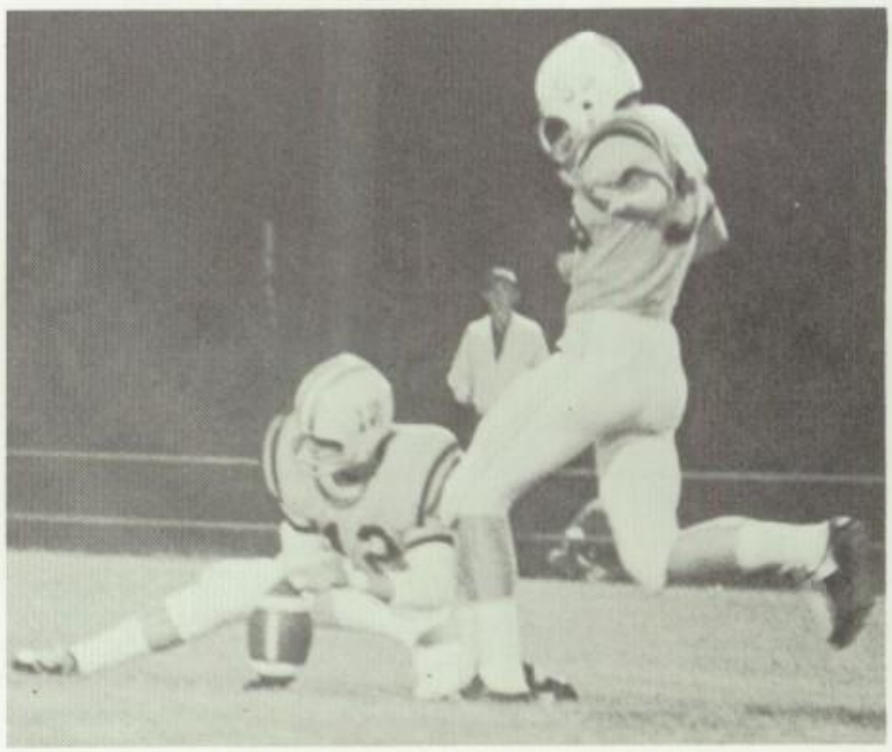


*Buzzy Kurtz runs for touchdown backed by blocking of Lilley, Keys, and Saul.*

*Coaches smile after triumphant victory*



*Steve Roberts assumes work of manager*



*Boyd White maintains hold as Richard Keys kicks extra point*

# Eagle Basketballers reach to state

*For the Eagle cagers of McCluer this year, win was spelled S-T-A-T-E. Although the lack of a school gym caused difficulty in being able to practice, the Eagles wound up the year with a 29-3 record and achieved the highest basketball record known in the history of the school.*

The 1970-71 school year has come to a close, and with it the end of other things. Among which are the last year at Council II, the last year of a high school career, and for some the last time to see a friend. But these do not bring the end of the world because there is still a long lifetime in store for most of us. It is the dawning of a new world which will depend almost entirely upon us with the help of God.

To help us not forget this school year is this yearbook. In it we have tried to capture the many moods, the spirit, and the life of Council McCluer. I hope that each time you look at this book you will relive each moment that took place in this great year.

A word of thanks should be extended to many for their help in the development and production of this yearbook.

The members of the staff. Many of them worked during and after school hours, and some even worked after school was out.

Cati. She spent many hours taking and developing pictures for us.

The city Auditorium, Mynelle's Gardens, the Zoo, and the Old Capitol. Each of these permitted us to use their property to have pictures made.

The many people who bought ads and those who sold them.

The ones who bought a yearbook.

The teachers, office, and principals for letting us interrupt so many classes.

Mrs. Anderson. The greatest of all annual advisors who was always willing to help us whenever she could.

This brings our story to a close, but it does not end here. It too has only begun to live . . . forever . . .

Cecile
